EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Curtis B. Hamre on 02 September 2005.

The application has been amended as follows:

In the Claims

In claim 1, line 4, after "arm" insert ---spaced from said lever portion---,
line 13, change "to" to ---beneath---.

In claim 3, line 1, after "Claim 1," insert ---in combination with a vehicle and---,
line 2, change "a" to ---the---,
line 3, change "the length" to ---a length---,
line 4, change "a" to ---the---.

In the Drawings

The following changes to the drawings have been approved by the examiner: In figures 8A and 8B add the label ---PRIOR ART---, as only that which is old is shown. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes. While it is noted that applicant discusses submission of corrected drawings in the 22 February 2005 amendment, such drawings are not found with the application file.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The claimed invention sets forth a unique wiper system not taught by the prior art. In particular, one where the rotating center of the lever portion is situated between a proximal end portion and a free end portion of the wiper arm and spaced away from the wiper arm by a distance toward a center of the windscreen when the arm is at a lower edge of the windscreen and the lever portion, which is provided on a rotating center spindle, is spaced from and beneath the wiper arm and joined thereto by a connecting member.

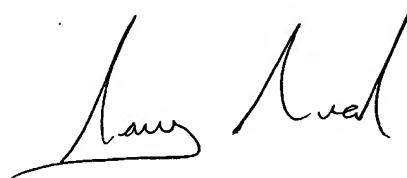

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary K. Graham whose telephone number is 571-272-1274. The examiner can normally be reached on Tuesday to Friday (6:30-4:00).
